

# Jim Slade

**Associate**

BEng (Hons)  
LEED® AP

# Mechanical Engineer

Jim has been in the construction industry for more than 20 years and has worked for a number of major and internationally renowned engineering consultancies during his career including YRM Engineers and Halcrow Yolles.

He has undertaken the design of major projects, including those of a critical nature and with a high technical content, working closely with the design team from inception through to project handover.

Jim has gained considerable experience on a variety of projects covering: commercial, healthcare, residential, leisure, hotel, and office projects. Particular projects of interest include: The British Embassy in Moscow; The Qatar Convention Centre in Doha; Chelsea Village Leisure Complex; and the Oval Cricket Ground in London.

Most recently Jim has acted as Lead Project Engineer and HVAC Designer on the Masdar Institute of Science and Technology in Masdar Sustainable City, Abu Dhabi.
